Рисунок 4. Схема измерения сопротивления тока анодного заземления

A3 – анодное заземление;  $L_{аз}$  – длина анодного заземления;  
 $a, b$  – расстояние от анодного заземления до первого Э1 и второго Э2 электродов

## 8. Заключительные работы

В состав заключительных работ входит:

# THE HISTORY OF THE

REIGN OF KING CHARLES THE FIRST

IN THE YEAR 1649

BY  
JOHN BURNET  
BISHOP OF SALTSMORE  
AND  
OF SALISBURY

IN TWO VOLUMES.  
THE SECOND.

THE  
LIFE OF  
KING CHARLES THE FIRST  
BY  
JOHN BURNET  
BISHOP OF SALTSMORE  
AND  
OF SALISBURY

2. The second part of the document addresses the issue of financial reporting. It states that all financial statements must be prepared in accordance with the generally accepted accounting principles (GAAP). This section provides a detailed overview of the reporting requirements, including the frequency of reports and the specific information that must be included in each report.

5. The fifth part of the document addresses the issue of financial reporting. It states that all financial statements must be prepared in accordance with the generally accepted accounting principles (GAAP). This section provides a detailed overview of the reporting requirements, including the frequency of reports and the specific information that must be included in each report.

6. The sixth part of the document focuses on the internal control system. It describes the various controls that are in place to ensure the integrity of the financial data. These controls include segregation of duties, authorization of transactions, and regular reconciliations. The document also discusses the role of the internal audit function in monitoring and evaluating the effectiveness of the internal control system.

8. The eighth part of the document addresses the issue of financial reporting. It states that all financial statements must be prepared in accordance with the generally accepted accounting principles (GAAP). This section provides a detailed overview of the reporting requirements, including the frequency of reports and the specific information that must be included in each report.

4. The fourth part of the document discusses the implications of the findings. It suggests that the results have significant implications for the field of study and may lead to further research in this area.

5. The fifth part of the document concludes the study. It summarizes the key findings and provides a final statement on the importance of the research. The authors express their gratitude to the funding agency and the participants.

6. The sixth part of the document includes a list of references. It cites the works of other researchers in the field, providing a context for the current study. The references are listed in alphabetical order.

7. The seventh part of the document includes a list of appendices. It contains additional information that supports the main text, such as raw data and detailed calculations. The appendices are numbered and labeled.

8. The eighth part of the document includes a list of figures. It contains a series of graphs and charts that illustrate the data presented in the text. The figures are numbered and labeled.

9. The ninth part of the document includes a list of tables. It contains a series of tables that present the data in a structured format. The tables are numbered and labeled.

10. The tenth part of the document includes a list of footnotes. It contains additional information that is not included in the main text, such as corrections and clarifications. The footnotes are numbered and labeled.

1. The first part of the document

describes the general situation

2. The second part of the document

describes the specific situation

3. The third part of the document

4. The fourth part of the document

5. The fifth part of the document

6. The sixth part of the document

7. The seventh part of the document

8. The eighth part of the document

9. The ninth part of the document

10. The tenth part of the document

11. The eleventh part of the document

12. The twelfth part of the document

13. The thirteenth part of the document

# Introduction

The purpose of this document is to provide a comprehensive overview of the project's objectives, scope, and timeline.

This document is intended for the project team and stakeholders, providing a clear understanding of the project's goals and the expected outcomes.

The project is organized into several phases, each with specific tasks and deliverables. The timeline is as follows:

Phase 1: Planning and Design (Weeks 1-4)

Phase 2: Development and Testing (Weeks 5-12)

Phase 3: Deployment and Monitoring (Weeks 13-16)

The project is expected to be completed by the end of the third quarter.

The project team is committed to delivering a high-quality product that meets the needs of the stakeholders.

We will maintain regular communication with the project team and stakeholders throughout the project.

The project is subject to change, and we will update this document as needed.

We will ensure that the project is completed on time and within budget.

The project is a priority for the organization, and we will ensure that it receives the necessary resources.

We will ensure that the project is completed to the satisfaction of the stakeholders.

The project is a key component of the organization's strategic plan.

We will ensure that the project is completed in accordance with the project plan.

The project is a critical part of the organization's future success.

We will ensure that the project is completed with the highest quality standards.

The project is a testament to the organization's commitment to excellence.

We will ensure that the project is completed with the highest level of professionalism.

The project is a reflection of the organization's dedication to its mission.

We will ensure that the project is completed with the highest level of integrity.

## 2. Измерения проведены приборами:

| №<br>п/п | Тип | Заводской номер | Метрологические характеристики |                | Дата поверки |           |
|----------|-----|-----------------|--------------------------------|----------------|--------------|-----------|
|          |     |                 | Диапазон измерения             | Класс точности | последняя    | очередная |
|          |     |                 |                                |                |              |           |

**ЗАКЛЮЧЕНИЕ: Сопротивление изоляции проводов и кабелей соответствуют требованиям и нормам ПУЭ и ПТЭЭП.**

**Кабели пригодны к дальнейшей эксплуатации.**
